### USSC sugar houses set milling record

This past Thanksgiving Day, the United States Sugar Corp. Clewiston Mill, which still has some equipment dating as far back as 1929, has one more time broken all previous records of cane ground in a 24-hour period for any single tandem mill in the world.

Last year the Clewiston Mill had established a worldwide record of 16,428 tons of cane ground in 24 hours. The new Thanksgiving record is 16,735 tons, said A. R. Mayo, USSC, vice president for sugar

houses.

"The combined grind for that day of 31,253 tons for our Bryant and Clewiston Sugar Mills was also a record for our company. The Clewiston Mill also recorded the greatest amount of sugar produced in a single day, having produced 4,157,270 pounds of sugar for that date," he said.

Mayo noted that the Clewiston News recently published that twenty years ago Clewiston Sugar House had a record grind of 7,779.4 tons.

### Pahokee council settles lime silo dispute

By JEFF BROWN

**PAHOKEE** — The Pahokee City Council and a contractor Tuesday, Dec. 1, reached an agreement which should result in the completion of the sewage plant's lime silo by the end of this month.

The tower had failed to withstand a wind loading test without swaying.

Widell Associates of Fort Lauderdale agreed to install the necessary supports at an added cost of \$4,500 if the city also grants a 90 day extension of the entire sewage plant improvement project.

The necessary supports consist of quarter inch thick, three by three inch angle iron supports welded on the tower in a double X fashion. Eight Xs are needed to secure the tower.

The \$4,500 cost also included the paint job, according to H.E. Pickle of Widell Associates. The company had built the tower in accordance with the drawings drafted by the engineer.

The city had taken the position that the company should have followed the specifications listed in the plans when there was a conflict between the plans and the drawings.

Pickle told the council that his company

assumes drawings will meet specifications.

"I take it that it will," he said. "We're not engineers."

He cited a passage in the contract which stated that "installation shall be as shown on the drawings."

A city council proposal that the company begin work on the needed structure supports under a change order with the amount to be determined later was rejected by the company. "We will not proceed on a contingent change order," Pickle said. "We will not sign, we will not work under it. If you order us to proceed, and when the job is complete, then refuse to pay us, we'll file a friendly suit against you."

Councilman Hugo Rainier moved the council issue the \$4,500 change order and grant the 90 day extension on the overall project so Widell could begin work on completing the lime silo improvements.

The council unanimously passed the motion. "The more we delay, the more its going to cost us," said Rainier.

The city must spend about \$2,000 for lime each month the silo is not operational.

"This (\$4,500 cost) will pay for itself in 90 days," commented Rainier.

### Santa plans visit to Belle Glade

Tickets for the lunch with Santa to be held Saturday, Dec. 19, are now available to the public.

The lunch, sponsored

by the Belle Glade Junior Womens Club, will be held at the Civic Center and will be from 11 a.m. to 2 p.m.

The menu will in-

clude hot dogs, punch, potato chips, cupcakes, carrots, oranges and fruit cocktail.

Santa Claus will be present for pictures

with the children that will be taken for a reasonable price.

Tickets are \$2 and may be purchased from any junior.

## Shoplifting seminar sponsored by Club

By JEFF BROWN

**BELLE GLADE** — It's a problem that merchants, their employees and consumers all have in common.

It's a problem that affects everybody's pocketbook.

It's shoplifting.

In Florida alone, losses due to shoplifting and internal thefts in 1980 were estimated at \$800 million. That figure is expected to increase by about ten per cent in 1981, according to an outline presented by the Belle Glade Police Department.

Inspector Michael R. Miller and Sergeant Dan Crist presented facts and methods to prevent shoplifting to a group of area merchants Monday, Nov. 30, in a seminar sponsored by the Belle Glade Junior Woman's Club.

The seminar was held in Belle Glade City Hall.

According to the fact sheet distributed by Crist and Miller, one customer in 10 is a shoplifter and for every dollar's worth of merchandise a shoplifter steals, an employee will steal \$3 worth.

How can the spiraling shoplifting figures be combated?

According to Miller, the best thing a merchant can do to stop shoplifting is to prevent it - don't let it happen in the first place.

The seminar was presented as part of the statewide Shoplifting Prevention Month. Governor Robert Graham declared November Shoplifting Prevention month, according to Cindy Baez of the Junior Woman's Club. Belle Glade Mayor declared it

the city's Shoplifting Prevention Month at the club's urging, she said.

According to Baez, November was chosen because it falls in the middle of the shoplifting season. About 45 percent of all retail thefts occur in the Christmas shopping season, she said.

There are five basic types of shoplifters, according to the police fact sheet:

• The amateur is someone who usually steals due to a sudden temptation, seldom for necessity.

• Juvenile shoplifters steal for thrills or status among a peer group.

• Professionals take valuable items in quantity. According to Miller, many of these individuals are dangerous and work in groups. They can steal up to \$2,000 worth of mer-

chandise a day, accounting for about 20 per cent of all losses.

• Kleptomaniacs, a rarity, steal to satisfy an abnormal psychological urge.

• Vagrants steal to survive. This group includes alcoholics, transients and addicts.

Many shoplifters display tell-tale signs that the wary clerk could pick up on, according to the police hand-out.

Aimless wandering is often the sign of an amateur or juvenile shoplifter looking for something they think they can get away with.

Juveniles also are prone to excessively touching small items while working up the courage to steal.

Other symptoms of a potential

shoplifter include nervousness, continued watching of employees, bulky or unseasonable clothing, large purses, or packages carried in the hands.

According to Miller, an employee must have probable cause to detain a suspected shoplifter.

Probable cause includes:

• Knowing what merchandise was taken.

• Knowing where the merchandise was taken.

• Knowing how the merchandise was taken.

• Knowing where the merchandise is. According to Miller, an employee must know the merchandise is in the possession of the person and where the merchandise is on the person.

AS PART of the Pahokee Chamber of Commerce shop at home campaign, a hometown shopper was selected this week to receive \$25. The amount of the award will increase each week. Shoppers who register with participating Pahokee businesses are eligible for the cash

awards. Frank and Harriet Seldes, owners of Circle S Pharmacy (left), present \$25 to Juanita Hanks. Ms. Hanks won after registering as a hometown shopper at Circle S. At right is Lucy Baines, one of the chamber directors who have organized the project.

### First shop at home winner selected in Pahokee

By ALMA HENRY

**PAHOKEE** — Local consumers may find themselves with some extra cash on hand for Christmas holiday shopping if they are chosen one of four winners in the Third Annual Shop at Home Contest.

Sponsored by the Pahokee Chamber of Commerce, the contest is serving as an incentive for Pahokee residents to shop at home this Christmas and patronize local merchants instead of traveling to the coast to do their Christmas shopping.

The contest met with such success its first two years the Chamber of Commerce board of directors decided to sponsor the contest again this year.

Mrs. Vee Harrington, secretary for the Chamber of Commerce, said the contest is a \$250 giveaway in which four cash prizes are awarded in a special drawing held each week in December prior to Christmas.

The first drawing was held Nov. 30, and Mrs. Juanita Hanks won \$25. Mrs. Hanks registered for the drawing at Circle S Pharmacy, one of the many participating businesses in the contest.

The second drawing for \$50 will be held Dec. 7th, the third drawing will be held Dec. 14 for \$75, and the final drawing will be held Dec. 21 for \$100.

Local businesses participating in the Pahokee Shop at Home contests are Royal's Department Store, Hiff Burger, Pahokee Army Store, Pahokee Ford-Mercury, Inc., Thriftway of Pahokee, Paul's Inc., Foodway of Pahokee, Anita's Cuts 'n' Curly, Circle S Pharmacy, Western Auto, Glades Merchandise, Rashley's Dry Cleaners, Pee-Hokey Hardware, Hendrix Ace Hardware, Inc., Bank of Pahokee, First American Bank, Pahokee Shoe Repair, Everglades Federal Savings and Loan, Shirley, Inc., Paul's Parts and Equipment, Baines Superette, Lake Equipment, Carter Chevrolet, King Bee Grocery, Badcock Furniture, Leonard Dobrow Accountant and Swiftly Food Stores.

Mrs. Harrington said local merchants participating in the contest paid a \$10 entrance fee and businesses that would like to do so may still enter the contest.

The chamber is providing the prize money for the contest, said Mrs. Harrington.

Mrs. Doris Wetherington, Mrs. Lucy Baines, Mrs. Diane Hall and Mrs. Linda Moss, directors for the chamber, are serving as organizers of the Shop at Home campaign.

Pahokee residents are encouraged by the Chamber to stop by participating merchants and register for the contest.

# EARN A GREAT RATE!

# 15%\*

## Reserve Florida National's New Individual Retirement Account and Start Earning High Interest Now!

The new Individual Retirement Account is a great deal. Tax savings now. A secure retirement later. In fact, depending on your age, annual contribution and when you retire, your IRA could be worth \$1 million or even more!

We're making a great deal even better. If you open a pre-IRA plan during December, we will pay you at an annual rate of 15%\* for up to 30 days (minimum investment \$500). Then, in January, we will offer a better-than-money-fund return of 15% (annual rate) through June 30th on your IRA — a guaranteed high yield in a declining rate market.

Everyone is eligible. Whether you're covered by an employee pension plan

or not, you can put up to the maximum \$2,000 in an IRA (\$2,250 if your spouse is not employed or \$4,000 joint deduction if both are employed). These same limits apply to our pre-IRA plan.

With our IRA, you have the added flexibility of earning either of two high yield interest rates after June 30th. Select a longer term fixed rate or a shorter term floating rate. Each of these rates is tied to U.S. Treasury Obligations. With our custom tailored IRA, you decide which return is best — the choice is yours!

Whether you want an IRA for the tax savings or the retirement security, or both, we provide a 15%\* rate, a choice of floating or fixed rate thereafter, plus the strength of a great statewide bank.

## Transportation Department faces serious problems

The result of the annual post audit and performance audit of the Department of Transportation is evidently horrendous.

The Auditor General, O. Ernest Ellison, Jr., who is the appointee of the Joint Legislative Auditing Committee has just released his critique. We are awaiting a copy from the auditing committee. There are evidently many areas where funds are logged in, but, when you attempt to follow their pathway through the department, you need the Wizard of Oz.

I am sure that once this audit is digested by members if the Legislature, increased funding will be hard to track until this department is reorganized. Last year the Legislature passed a Reorganization Bill which designated an Assistant Secretary and divided the road operations division into three categories: preconstruction and design, construction and maintenance. This has just been accomplished. But at a recent Joint Senate and House Transportation Committee meeting, many options were discussed as to the fate of the Department. Lack of leadership by the Governor over this most important executive department, with two secretaries already having resigned and the deputy secretary serving as the interim secretary, has fostered a move to remove the department out from under the governor.

Someone the options discussed included election of another Cabinet officer to serve as the Secretary of Transportation or the election of a five or seven member Road Commission. The latter would operate somewhat like the old state Road Board, except that Commissioners would be elected from districts. Of course, both of these would require a constitutional amendment.

At present, Article IV, Section 6 states that "All functions of the executive branch of state government shall be allotted among not more than 25 departments, exclusive of those specifically provided for or authorized in this constitution. The administration of each department, unless otherwise provided in this constitution, shall be placed by law under the direct supervision of the governor, the lieutenant governor, the governor and cabinet, a

cabinet member, or an officer or board appointed by and serving at the pleasure of the governor," etc.

That's one truism about appointees of the governor. He must take the heat for their failures. In the case of this department, fiscal management has been lacking and perhaps we have lost many dollars, either directly or by not securing federal funds because of mismanagement. The legal basis for the appointment of the secretary however, is, in statutes, and it may be possible to write legislation which places the department under a five to seven person commission with a chairman. This controversy has sparked much innovative thinking and, of course, the governor would fight any such move. But, the legislature is determined to have an efficient transportation system and the department is not, at present, fulfilling it's tasks.

Incidentally, there are now 23 departments in the executive branch which come directly under the governor, a cabinet member, or both. They are the Departments of Administration, Agriculture & Consumer Services, Banking and Finance, Business Regulation, Citrus, Commerce, Veteran & Community Affairs, Corrections, Education, Environmental Regulation, General Services, Health & Rehabilitative Services, Highway Safety & Motor Vehicles, Insurance, Labor & Employment Security, Law Enforcement, Legal Affairs, Military Affairs, Natural Resources, Professional Regulation, Revenue, State and the Department of Transportation. It also gives you some idea of how large state government really is and I'm sure you're asking, "Is it all really necessary?" Good question!

## Dual monstrosities

The federal government was like the rest of us recently when it ran out of money; it did without for a few days.

There was no panic, no suicides leaping from skyscrapers, no mass exodus back to the Old Country.

There were even a few folks who were blissfully unaware that the country had weathered a financial crisis.

Most of the concern was in Washington, where congressmen stewed over their dilemma.

I have been unable to discern any lasting impact over the momentary lack of money for the federal government to spend.

A growing suspicion tells me that for all the talk about Reaganomics, the federal bureaucracy has barely been scratched.

I recall that one of Jimmy Carter's first goals upon assuming office was to reorganize Civil Service.

How effective he was I'm not sure, but I know that Civil Service is still in Washington, D.C. and Jimmy Carter is back in Plains, writing his memoirs.

It's entirely possible that Reagan's planned overhaul of the country will meet the same fate, especially now that an increasing number of those in the legislative branch seem to be digging in their heels against further cuts.

Federal government and the economy have both grown to be such monstrosities that its hard to pinpoint the driving force in either.

Whatever the forces are at work, they are apparently uncontrollable. Nothing seems to work at bringing either into line.

## Shoplifting seminar held here—

(Continued from Page 1)

A suspected shoplifter does not have to leave the store or pass the cash registers for an employee to detain him or her. According to Miller and Crist, concealing merchandise is enough for a suspect to be detained.

Once an employee suspects someone of shoplifting, the suspect must never leave the employee's sight until he or she is apprehended, according to the hand-out. If they leave the employee's sight, they could have opportunity to get rid of the merchandise.

Miller recommended merchants prosecute all shoplifters they catch.

"You will get the reputation that you will prosecute," he said. He said once an individual is convicted three times of shoplifting, that individual faces felony charges.

Many shoplifters are dangerous, particularly the professionals, according to the officers. Merchants should not attempt to apprehend them.

"Apprehension is not your job," said Miller. "Apprehension is our job, no matter how good we are at it. That's our job. Prevention is your job."

How can merchants prevent

shoplifters from practicing their trade?

"If you greet everyone that comes in to your store, and look them right in the eye, that will act as a deterrent in many respects. As a matter of policy it a good idea to prosecute shoplifters."

Asking suspicious individuals if they need help may deter them from stealing, according to a film released by a state retailing association.

The film also dealt with three specific types of retail theft: juggling, till tapping and the deliveryman's game.

Juggling involves a group of individuals who work together to steal bank deposits from store employees on the way to the bank.

Till tapping is a method of distracting the clerk from an open register while cash is stolen from it and the deliveryman's game involves retail theft by "deliverymen."

According to Miller, most shoplifters do not have to steal for survival.

"Most of the people that I've dealt with in shoplifting had enough money in their pockets to pay for the item," he said.

## High yields reported for new sugar cane variety

CANAL POINT — A new high-yielding sugarcane variety has been released for planting this fall through the combined breeding research of the U.S. Department of Agriculture, the Florida Sugar Cane League, Inc., and the University of Florida.

According to USDA geneticist J. D. Miller with Agricultural Research Service's U. S. Sugarcane Field Station here, CP 73-1547 has produced an average of 23.6 percent more cane per acre than the leading commercial cultivar in Florida, CP 63-588.

In 23 separate tests over a 4 year crop cycle, CP 73-1547 also produced 21.1 and 19.3 percent more sugar per acre than CP 63-588 at early and late harvests, respectively.

CP 73-1547, a seedling of the cross between CP 66-1043 and CP 56-66, is a good stubbling, high-tonnage, medium sucrose, late-flowering variety that has large green stalks

with the advantage of loosely adhering trash.

When compared with CP 63-588, the average stalk weight was higher for CP 73-1547 (4.0 pounds compared to 3.8 pounds), but the millability factor was lower (0.96 versus 1.00). Therefore, even though the numbers may be close, they can be important to sugar mills, says Miller. "For example, if both CP 63-588 and CP 73-1547 contained 200 pounds of sugar per ton of cane and a mill ground 1,000 tons of each, the yield would be 200,000 pounds of sugar from CP 63-588 but only 192,000 pounds from CP 73-1547."

Request for seedlings of CP 73-1547 should be addressed to the Florida Sugar Cane League, Inc., P. O. Box 1148, Clewiston, FL 33440. The U. S. Department of Agriculture and the University of Florida have no seedcane for distribution.

## Shoplifting seminar held here—

(Continued from Page 1)

A suspected shoplifter does not have to leave the store or pass the cash registers for an employee to detain him or her. According to Miller and Crist, concealing merchandise is enough for a suspect to be detained.

Once an employee suspects someone of shoplifting, the suspect must never leave the employee's sight until he or she is apprehended, according to the hand-out. If they leave the employee's sight, they could have opportunity to get rid of the merchandise.

Miller recommended merchants prosecute all shoplifters they catch. "You will get the reputation that you will prosecute," he said. He said once an individual is convicted three times of shoplifting, that individual faces felony charges.

Many shoplifters are dangerous, particularly the professionals, according to the officers. Merchants should not attempt to apprehend them.

"Apprehension is not your job," said Miller. "Apprehension is our job, no matter how good we are at it. That's our job. Prevention is your job."

How can merchants prevent

shoplifters from practicing their trade?

"If you greet everyone that comes in to your store, and look them right in the eye, that will act as a deterrent in many respects. As a matter of policy it is a good idea to prosecute shoplifters."

Asking suspicious individuals, if they need help may deter them from stealing, according to a film released by a state retailing association.

The film also dealt with three specific types of retail theft: juggling, till tapping and the deliveryman's game.

Till tapping involves a group of individuals who work together to steal bank deposits from store employees on the way to the bank. Till tapping is a method of distracting the clerk from an open register while cash is stolen from it and the deliveryman's game involves retail theft by "deliverymen."

According to Miller, most shoplifters do not have to steal for survival.

"Most of the people that I've dealt with in shoplifting had enough money in their pockets to pay for the item," he said.

## FIRST FEDERAL OF HENDRY COUNTY OFFERS NEW "WILD CARD" CERTIFICATE

1 1/2 YEAR  
\$100 MINIMUM

**14%**

CURRENT  
YIELD

Insured by FSILC up to \$100,000

Must Be Part of A KEOGH or IRA Retirement Plan

The maximum contributions to the 1981 plans are \$1,500 for IRA and \$7,500 for KEOGH. If you haven't used the maximum, you have until April 15, 1982 to do so, but the current "Wild-Card" rate is subject to change with the market, which is going down at present. Purchase of the certificate will guarantee you 14% for 1 1/2 years. The amount invested in KEOGH-IRA is tax deductible and interest thereon is tax deferred.

Transfers from existing certificates prior to maturity will incur penalty. There is a substantial penalty for early withdrawal, in addition to having your funds added to your current income for tax purposes in the year you withdraw them. EFFECTIVE January 1, 1982 this opportunity will be available for ANYONE (even those who are presently under retirement accounts). The earnings at that time will be subject to the market conditions. At that time IRA maximums will be raised: \$2,000 for individuals, \$2,250 for spouse and none-working spouse and \$15,000 for KEOGH members.

UP WITH PEOPLE is coming to Clewiston Dec. 16. Arriving in Clewiston Monday to begin making preparations for the song and dance festival were Charlotte Rapp of Sweden (right) and Angela Forbes of West Plains, Mo. (second from right). The

Clewiston High School senior class, represented by Mark Murphy and Mary Beth Boss (above), is sponsoring the group. This will be Up With People's second visit to Clewiston.

### Future Farmers to compete in tractor contest

**BELLE GLADE** — The local chapters of the Future Farmers of America will send their best tractor drivers to West Tech this Friday to compete in a driving contest.

Students from Clewiston, West Tech, LaBelle, Pahokee, Okeechobee and Glades Central will

compete in the event, which involves driving a tractor through a course.

The winner of that competition will go to districts. The competition goes up to the state and national level.

## Up With People coming to Glades on Dec. 16

By JIM JONES

Anyone who has ever seen an Up With People performance will tell you that the group puts on a high powered, polished song and dance performance which appeals to the entire family.

Surprisingly enough, however, the cast members are not professional entertainers, but young people drawn from all over the United States and some foreign countries as well.

Cast member Angela Forbes, 23, of West Plains, Mo., said Up With People performers are chosen for their personality, goals, and outlook on life, rather than singing and dancing ability.

"We like people who are open minded and willing to grow," she said.

Angela and Charlotte Rapp, 19, a rosy-cheeked blond from Linkoping, Sweden, arrived in Clewiston Monday night to begin making preparations for Up With People's Dec. 16 performance at Cane Field. Clewiston High School's Senior Class is sponsoring the 8 p.m. performance.

"It's nice to be in a small town again," said Miss Forbes. During the past several months, the cast has traveled to Colombia, Peru, Houston, New Mexico, Arizona and Louisiana.

For the next two weeks, Charlotte and Angela will be learning all they can about the Glades area and mak-

ing final arrangements for the 98-member cast, expected to arrive from Miami Dec. 15.

Already, arrangements have been made for about 80 of the cast members to stay with host families while in Clewiston.

They are trying to find host families for the remaining cast members and to find a car for transportation while in this area.

Tickets for the performance are \$4 for students and senior citizens and \$5 for adults and are available at Clewiston High School and at S and M Drugs.

Up With People will practice for a Super Bowl 1982 performance at Cane Field Dec. 17-18. The cast will enjoy a Christmas banquet in Clewiston Dec. 18 before splitting up and returning home for the holidays.

Miss Rapp, who lives about 220 kilometers south of Stockholm, said she had never heard of Up With People until last year when the group visited her school.

"The whole school just went crazy," she said of the performance. Later, she interviewed to join the group and was accepted.

Prior to joining the group, she was studying economics and would eventually like to work in hotel administration.

For more information about the performance or to offer assistance for the group, contact Jeanie Ford at 983-9681 or Cathy Metz at 983-8324.

### Restricted licenses available

**TALLAHASSEE** — Persons who seek a Florida driver license and wish to retain an out-of-state license receive a restricted-to-Florida-only license said the Florida Highway Patrol today.

Many people who are part-time residents of Florida and want to retain their out-of-state driver license are given a special restricted-to-Florida-only license. Their home state is notified that they have obtained a driver license in Florida after taking a test and signing an affidavit that it is necessary to retain the other license.

Most states have reciprocal agreements which require each state to notify the home state of the driver arrested if the traffic violation committed. Points, usually at one-half value are then placed against their home driving record and the license can be suspended when the maximum number is received.

These steps were taken to prevent drivers who are continually being arrested from having several licenses from other states and presenting the one with the least points against it to the arresting officer.

Colonel Eldridge Beach, Patrol director said, "This new procedure will help in keeping the habitual violator under control as an applicant for a driver license has his record checked by computer before they are issued a new driver license."

## Scout troop kicks off new year's programs

**HELE GLADE** - Girl Scout Troop 9 is busy this fall learning what it means to be a Girl Scout.

The troop, under the leadership of Mrs. E.T. Robinson meets at Lake Shore Elementary School. Mrs. Robinson's assistants include Mrs. Laura Odums, Mrs. Minnie Workman and Mrs. Jacqueline Irissell.

Mrs. Robinson said there are 52 members in the troop and since September the girls have been busy with various activities.

The troop participated in the Glades Central Community School upcoming parade on Oct. 28; had a candlelight ceremony and celebration in observance of Girl Scout Founder's Day on Oct. 30.

Mrs. Robinson said the Scouts were also participated in a day long workshop at Oke Tantee Camp in Jacksonville on Nov. 7. The workshop was centered on Indian Culture.

Mrs. Robinson said the local scouts joined nearly 800 other Girl Scouts in learning to make Indian crafts, Indian dances and songs. She said they also learned Indian games and sampled Indian food.

The Scout leader said the most exciting part of the workshop was the

night of Nov. 7, when the scouts witnessed the lighting of the campfire by an Indian and listened to stories on the Florida Indian.

The program ended with many Indian dances performed by Indian Scout groups.

Mrs. Robinson was also invited by the Palm Glades Girl Scout Council to attend the 42nd National Girl Scout Convention held in Houston, TX, on Oct. 25 through 28.

Mrs. Robinson said 6,000 Girl Scout leaders, delegates and foreign visitors attended the daily sessions. The conventioners adopted the theme "Going and Growing" for the upcoming 70th anniversary of the Girl Scout organization.

While at the convention, Mrs. Robinson was selected by the Palm Glades delegates to participate in the closing ceremony. The ceremony included the singing of the theme song, "Going and Growing," as sung by Irene Cara of "Fame."

Mrs. Robinson said volunteers are needed so more girls will have the chance to become scouts. If you are interested in becoming a scout volunteer you may call Mrs. Robinson at 996-6162 for additional information.

## Gifts for the disabled

This Christmas season, give some special thought to gifts for family and friends who suffer from arthritis or other crippling diseases.

The Arthritis Foundation has many suggestions for gifts to help disabled people make their lives easier and more enjoyable.

For The Sports Enthusiast: Stadium Seat - It gives the back needed support to watch a game, sit on a bench or in a boat. The ones with hooks to attach to the bleachers are especially good.

Shuffleboard Set - Playing shuffleboard helps maintain a range of motion in the shoulders and elbows. It can be played indoors or outdoors.

Sitting: Retractable Hand Bowling Ball - The handle becomes flush with the ball's surface when released, eliminating the strain of stretching fingers into the holes in regular balls.

Front Zippered Swim Suits - Swimming is an excellent exercise for keeping joints limber, and for women, swimsuits with long front zippers are easy to get in and out of quickly.

For the Cook in the Family: Two Handed Cookware - It reduces strain and better supports the joints. Electric Can Opener - Units with a power cutting blade that do not require an initial

manual cut are a welcome relief for sore, weak hands. Food Processor - This appliance does all of the chopping, slicing and grating and in a fraction of the time.

Personal Care Items: Stationary Nail File - This is an emery board with a suction cup on one end that fastens onto a table or an arm of a chair. It aids those who have trouble grasping small items.

Bath Mitt - It makes soap easier to manage. Add an assortment of soaps and toiletries for a nice gift.

Clothing: Front Opening Bras - All clothing items that open in the front are easier to get in and out of, if they have velcro or some other easy open fastener, they are even better.

Mittens - They are warmer and easier to

get on and off than gloves. Jewelry - No matter how expensive,

After many months of outperforming several sectors of the national economy, Florida's economic activity has started to sag, according to Florida Trendline, a composite business index prepared by FLORIDA TREND business magazine.

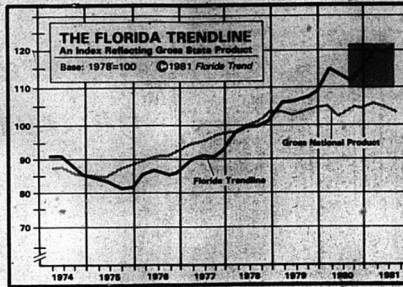

Even though the Trendline was up a very healthy 7.9 in August of this year over August 1980, the index of economic indicators dropped 9.9 from July to August, during this period, only two sectors of the economy - finance and utilities - registered increases. Communications, agriculture, insurance, real

estate and mining all declined. FLORIDA TREND reports that employment in the state is climbing. The unadjusted unemployment rate for Florida in October, for instance, was 7.8 percent, the second month in a row that the state's rate was higher than the national rate, which was 7.5 percent in October.

Contributing to this trend is Florida's extremely sluggish construction industry, where construction starts of single family homes were down 48 percent from September 1980, causing layoffs in virtually every metropolitan area in the state by October.

SANDY RICHMOND

Sandy Richmond is a social science teacher at Palm Beach Junior College Glades Campus. She is the sponsor for Phi Theta Kappa, a National Honor society for Junior Colleges that has been in existence since the early 1900s.

The Phi Theta Kappa has chapters in every state. To become a member of the honor society at the college, a student must have an A minus average. The Glades campus has 22 students in the society. They are chosen on the basis of citizenship and provide a tutoring service for other students.

Sandy and her husband, Gary, live in Fox Trail. She is a devoted Miami Dolphin fan and enjoys swimming, jogging, boating, fishing and taking care of her home.

Sandy's Guacamole recipe is one she admits to having stolen from another cook, which is always a nice tribute to the cook as well as the recipe. Sandy suggests eating this dip with chips and lots of cold beer.

## On the consumer's side

Randy Reid, Consumer Services Coordinator, Department of Agriculture and Consumer Services, Division of Consumer Services, Mayo Building, Tallahassee, Florida 32301.

### QUESTION:

I need some advice. My doorbell has been ringing off the wall lately with salesmen selling everything from Christmas cards to gift magazine subscriptions. It would be nice to take advantage of the convenience, but I need to know the pitfalls and what my rights are. Can you help?

### ANSWER:

Yes. Door-to-door solicitation can be a very easy way to order merchandise (though often you can find the same products and services locally for less). If done properly, your sale can be rewarding to you and the salesman. But you need to be aware of some less-than-desirable sales gimmicks used on the innocent consumer...and what to do if you change your mind after the high pressure wears off. Remember...unlike purchases made through a store, it is sometimes difficult to "return" an unwanted item when the sale was made door-to-door.

Most contracts signed in your home can be cancelled if you change your mind within 72 hours, or three business days, of signing. (Insurance contracts and the purchase of farm equipment are exceptions, as are some contracts negotiated at your request. This law generally covers unsolicited door-to-door sales and unsolicited phone calls.) Some money can be kept by the company—up to \$50 or five percent of the total price—but orders for under \$25 cannot be cancelled and no refund is required.

Products now sold door-to-door vary from the old vacuum cleaner or scrub brush sales pitches of the past. Today such things as aluminum siding, water conditioners, heating/air conditioning systems and roofing are handled through home solicitation, and contracts can run into the thousands of dollars. With so much money at stake, you need to be very thorough and take precautions to insure a satisfactory purchase.

Shop carefully—buy only what you need and don't succumb to high pressure sales gimmicks. We have even heard of a selling pitch where the salesman says, "I'm going to sell you a car today. If you don't buy it today, you'll never get it." It's a sweet young thing to do the play a burst into tears of financial desperation at the proper moment to cinch the deal. She should get an Oscar...but not a fat commission on your sales contract.

Request identification—honest people won't hesitate to put you at ease and talk frankly about what they are selling. They don't make vague promises or confusing statements...and don't try to mislead you with sob stories about their finances. Florida law requires all door-to-door salesmen to provide you with identification and the name and address of the company and their supervisor. Ask to see it and don't take no for an answer. It's the law.

Ask questions and get any guarantees in writing—Are the claims about the product realistic? Will the guarantee cover you after 90 days? One year? Longer? Will he put the verbal guarantee he just made in writing? (If not, don't buy.)

Read, read, READ the contract—before signing. Make sure all blanks are completed and draw a line through those that don't apply to your particular sale. Make sure the finance charge is clearly stated...and the "right-to-cancel" clause is included.

Save your copy—any paperwork, contracts, separate warranties or receipts. If you decide to

cancel within 72 hours, you will need proof-of-sale information and the name of the company in order to cancel in writing.

For further information about home solicitation and your rights, write for our free booklet "Door-to-door Selling," Division of Consumer Services, Mayo Building, Tallahassee, Florida, 32301, or call our statewide toll-free hotline 1-800-342-2176.

### A Special Thank You:

We would like to extend a special thanks to those readers who took the time (and a 20 cent stamp) to help us collect information about unwanted phone solicitation. Your response was appreciated. After review, this information will be prepared for possible examination by members of the Legislature who are interested in citizen feedback on this subject. We thank you for your help in compiling this information.

## Ask the energy line

Q. I am building a new home and am getting ready to insulate the walls. My contractor keeps

talking about vapor barriers and how I need to have them installed with wall insulation. Can you give me some advice? T. R., Panama City.

A. A vapor barrier is a low-cost item in the initial construction that will pay for itself many times over in energy savings and comfort control. It is worthwhile, therefore, to consider placing a vapor barrier between the insulation and the conditioned space of a house. This is particularly important in Florida's humid climate.

An effective vapor barrier, such as 6 mil. polyethylene sheeting or aluminum foil used in conjunction with insulation, will decrease moisture migration and air infiltration through walls. To be fully effective, vapor barrier should be placed above ceilings, below floors and on all exposed walls. If a vapor barrier of plastic sheeting is used, it should be placed under the insulation and next to the conditioned space. However, if no insulation or insulation of less than R-6 is used, a vapor barrier next to the conditioned space can cause condensation, which could cause mold and deterioration of the wall.

If you have a question about saving energy in Florida—at home, at work or on the road—send it to ENERGY LINE, Florida Energy Extension Service, McCarthy Hall West, University of Florida, Gainesville, FL 32611 or the Governor's Energy Office, the Capitol, Tallahassee, FL 32301.

## Home decorating contest slated

The annual Home & Business Decorating Contest is being co-sponsored again this year by the Belle Glade Chamber of Commerce and the Belle Glade local Garden Clubs.

The contest will have five (5) categories this year rather than the original four (4) categories in the past several years. Awards will be first, second and third place ribbons in each category as follows:

1. Best overall religious
2. Best overall non-religious
3. Best overall business
4. Best overall decorated door
5. Most original

No entry fee charges for entering the contest and you can enter your home or business by calling the Belle Glade Chamber of Commerce before 6:00 P.M. Wednesday, Dec. 16. Telephone numbers to call: 996-2745 - 996-2252.

The judging will be done Thursday, Dec. 17 from 6:30 to 7:30 P.M. by members of the Garden Clubs and the Chamber of Commerce.

Co-sponsors are: Belle Glade Study Club, Belle Glade Garden Club, Chosen Garden Club, and Belle Glade Chamber of Commerce.

NEW FROM FORD — Ford dealers will introduce two new models — an Econo four-door hatchback (top) and a Granada station wagon — for 1982. With EPA-estimated ratings of 31 city and 47 highway, four-door convenience and sport-the-minute features like front-wheel drive and independent rear suspension, the new Econo will compare favorably with larger, more expensive compact and subcompact. The station wagon — the first ever to carry the Granada nameplate — will offer nearly 74 cubic feet of cargo capacity and an all-new optional V-6 engine designed for excellent fuel efficiency.

### Goodwill to open in Belle Glade today

by Alma Henry

**BELLE GLADE** - After closing its doors in Pahokee earlier this year, Gulfstream Goodwill Industries will be returning to the Glades area in December with a new store located in Belle Glade.

The Pahokee Goodwill store served the Glades community for 16 years before it closed. Ms. Karen Cousineau, Goodwill Industries sale supervisor said the Belle Glade store will open on Thursday, Dec. 3 with a ribbon cutting ceremony and the public is invited to attend.

She said the agency has wanted to locate in Belle Glade for several years. The store will be located at 241 S. Main St., next to the Bonavia Chevrolet car dealership.

Ms. Cousineau said the thrift shop will carry a variety of household items, clothing, furniture, tools, equipment and other items needed at prices the consumer can afford.

She said the store also will be accepting usable merchandise as tax deductible donations. Donors

will be given tax deductible receipts while their donations are recycled for sale at Goodwill stores.

Gulfstream Goodwill Industries, a national and international movement that assists millions of handicapped persons, was organized in 1968 and took over the Pahokee store the same year from the St. Petersburg Goodwill facility.

The agency serves persons who disabilities prevent them from entering competitive employment. Included are mental retardation, mental and emotional illness, medical disorders, epilepsy, hearing or speech impairment.

Ms. Cousineau said Goodwill's mission is to find the disabled person's ability and develop it to the highest degree possible.

The Belle Glade store will employ two employees and the hours at the store will be 9 a.m. to 5:30 p.m. Monday through Saturday.

The agency is accredited by the Commission on Accreditation of Rehabilitation Facilities and is a member agency of the United Way of Palm Beach County.

### Turkey shoot

### scheduled

### for next week

**BELLE GLADE** - The Annual Rotary Club Christmas Turkey Shoot will be held Dec. 11 and 12 from 5 to 9 p.m. behind Charlotte's Pet Shop at 627 N.W. Ave. L.

The Turkey Shoot is the club's only fund raising event. The prizes will include a .22 magnum lever action Winchester rifle. The rifle will be the door prize awarded at 9 p.m. on Saturday, and the winner must be present to claim the rifle.

A turkey also will be given to one shooter in every line of 12 who step up to the firing line.

Each line of shooters will be firing at 12 cards marked with an "X" and the winner will be the shooter with a pellet closest to the center. The turkey each line winner collect will be a 10 to 12 pound butterball, committee chairman Terry Kirchman said.

Most of the shoots will be made with .12 gauge shotguns, Kirchman said, and the shooters can bring their own guns. When 12 shooters so inclined can be set up, usually of youngsters and women, .410 gauge shells will be fired.

Shotguns will also be on hand for those who don't have their own or prefer not to bring them. Tickets will be priced at \$2 per shot and are available from all Rotarians.

U-SAVE'S NEW MANAGER is Steve Hearsom, right His newly appointed assistant is Mark Maurice, left, Hearsom, 25, and Maurice, 23, both started with the company as bag boys.

### New manager named

Two men who learned the grocery business from bag boy up have been named to the management positions at U-Save in Belle Glade.

Steve Hearsom, 25, has been named as manager, replacing Charlie Butler. He is moving up from his former position at the store as assistant manager.

Taking Hearsom's place as assistant manager is Mark Maurice, 23. Hearsom has worked for U-Save for ten years, starting as a bag boy.

He is living in Belle Glade with his wife Debra, a Belle Glade native.

Maurice was transferred to Belle Glade in March from a Fort Myers store, where he served as third manager.

Maurice, who also started as a bag boy with the company seven years ago, is living in Belle Glade with his wife Susan.

### Mock reception held

**BELLE GLADE** - A mock wedding reception was held at Glades Central in the annex library Nov. 25.

Students in Carolyn Watts Family Living Class put on the reception to give the students a chance to practice their social skills.

"We thought this would be a good way for the class members to learn and practice their social skills," Watts said.

"Many people loaned items to the class for use in the reception," said Watts. "We are grateful to Mrs. Cindy Taylor, Mrs. Edith Bridges, Mrs. Juana Miller and Mrs. Annetta Duke."

The wedding cake was made by the Family Living class students and Mrs. Pytmon's Foods classes made the sandwiches and punch, according to Watts.

### Local man completes course

Pvt. Lee A. McKinzie, son of Minnie F. McKinzie of South Bay, has completed an equipment storage specialist course at the U.S. Army Quartermaster School, Fort Lee, Va.

The course provides students with a working knowledge of the federal supply system, storage operations and packaging procedures.

### Store holds open house

**CANAL POINT** - The Peddler's Cart in Canal Point held an open house on Saturday, Nov. 21, and Sunday, Nov. 22.

Owner Kathi Ligon said it was an annual event and this year they had the best turnout ever.

"As well as selling, the open house has been a special time for many

friends and neighbors to get to welcome in the holidays together," said Ligon.

Door prizes were won by Cathy Cottle, who won a macramé wreath, Hazel Caldon, who won a macramé bell pull and Lynda McKinstry, who also won a macramé wreath.

### Club holds fashion fashion show

**BELLE GLADE** - The Sophisticated Women's Club is sponsoring a Fashion Talent Show and Disco Dance, Saturday, Dec. 13, at the Lake Shore Civic Center.

Donations to the affair are students \$1.50 and adults \$5.

There will be a disco dance after the fashion

talent show for adults only.

The affair will begin at 7 p.m. and the dance is b.o.b. Mrs. Vivian Henderson, public relation chairperson said tickets to the affair can be purchased from members of the Sophisticated Women's Club.

Ms. Doris Boose is the president of the club.

### Kiwanis

### donates turkeys

**BELLE GLADE** - The Kiwanis Club of the Glades donated Thanksgiving dinners to three needy families on Nov. 25.

Gene Cross and Mildred Richey of the Palm Beach County Division of Social Services in Belle Glade helped in the selection of the families.

The Kiwanis members donated food and canned goods and also gave each family \$10 in case they needed any supplies not provided by the club.

Businesses that donated goods for the families were: Winn Dixie, Food Center, Pioneer Growers Cooperative, Holson Bakery, Quaker Oats, McArthur Dairy and U-Save in Belle Glade.

## PIGSKIN PROPHETS 1981

Mike Burkett, of Lake Hardware, came in first place this week with 10 wins & 3 losses and the best prediction on the tie breaker. Mike also remained in first place in the overall standings with a total of 95 wins and 45 losses.

Frank Davis of Glade & Grove Supply and Steve Woodard of Lockhart Ford are still tied for second place in the overall standings with a 94-46 record each.

It looks as if the race for first place is between these three. There is only one more week to go after this weekend so watch to see what happens.

## How to protect your credit cards

By Gerald Lewis,  
Comptroller of Florida

During the coming holiday season, many consumers probably will use credit cards more than usual because of extra shopping and increased travel. While credit cards are always targets for thieves, additional usage during the holidays means that consumers are more susceptible than ever to credit card fraud.

Christmas shoppers and travelers are sitting ducks for pickpockets. It is not very difficult for a thief to swipe a wallet in a crowded shopping mall or airport, especially if the victim has an armload of packages. Consequently, when in a public

place, you should carry your credit cards in an accessible place. For example, a zippered coat pocket is much safer than an open pants' pocket.

You should also take inventory of your credit cards periodically while shopping or traveling. This should be done in private; flashing your cards in public is like waving a red flag in front of a bull. Should you discover a missing or stolen card, report it immediately to the credit card company.

If possible, consolidate credit cards to three or less when you travel or go shopping. Even during the holiday season, you may be surprised to find

that you can make all your purchases with fewer cards than usual.

If you are shopping by telephone, you must still remember to be careful with your credit cards. Don't give out your number unless you are placing an order and keep careful records of your telephone shopping.

Protecting your credit cards is important not only during the holiday season but all year long. By being careful 12 months a year, you can avoid the especially aggravating problems which are brought by lost or stolen credit cards.

## Company president sentenced

Reuben K. Resmondo, president of Evergreen Sod Farms, Inc., was sentenced today in U.S. District Court in West Palm Beach on five counts of filing false federal income tax returns.

U.S. District Court Judge James C. Payne sentenced Resmondo to five years probation on each count to run concurrently. Resmondo was also fined \$5,000 on each count for a total of \$25,000 payable sixty days after sentencing.

During the probationary period Judge Payne ordered Resmondo to speak to at least 18 civic or business organizations explaining how he became involved with tax problems. Resmondo must also cooperate with the probation office in providing employment to candidates recommended by the probation office.

## Woman receives scholarship

By Dick Crockett

Sharon Clayton recently received a \$7,000 fellowship from the Graduate Council at the University of Florida.

Clayton is currently doing her Masters thesis work in Nuclear Medicine.

The fellowship is a full year's scholarship given for academic excellence in undergraduate work. It will allow Clayton to continue her education at the past graduate level in Nuclear Engineering.

Clayton, the daughter of Joe and Mert Clayton of 1002 S.E. Third St., grew up in Belle Glade and attended Gove Elementary and Glades Day School. She was born in Fayetteville, Ark., on May 29, 1959 but said she considers Belle Glade her home. Her family moved to Belle Glade in 1965.

Clayton has garnered other academic awards, beginning in elementary school and continuing in college.

She was co-valedictorian at Glades Day School in 1977. She also participated in Beta Club and received the 1977 Mathematics Award.

Awards she earned in college included scholarships amounting to \$1475 from the American Nuclear Society, the Gainesville Women's Club, and the University of Florida Benton Engineering Council.

In addition to maintaining a 3.8 overall grade-point-average, she has participated in and served as an officer of several extra-curricular clubs and honorary societies.

She said she plans to obtain her Masters at the University of Florida and possible pursue a Ph.D. in nuclear medicine.

## Resident promoted

Dennis A. Goring, son of Dennis A.Q. Goring of 71 Hillside Ave., Hartford, Conn., and Margaret Goring of 517 S.W. Seventh St., Belle Glade has been promoted in the U.S. Army to the rank of private first class.

Goring is a tool room clerk at Fort Bragg, N.C.

He is a 1977 graduate of Glades Central High School, Belle Glade.

## Raiders bow out of play-offs

Suncoast controlled the Raider aerial game

By JEFF BROWN

The Raiders, who started this season as if no one could beat them, will now have the entire off-season to think about what went wrong.

Suncoast beat Glades Central in the last few minutes of their regional playoff game 3-0 Friday, Nov. 27, to bring the Raiders' season to an end.

It was a strange sort of a year for the Raiders, who dropped the first game of the football season 3-6 to Fort Pierce Central.

Stung by the loss, the Raiders went on a tear for the next five weeks, consuming opponents by lopsided scores such as 39-6 (North Shore), 32-0 (Jupiter), 45-14 (Cardinal Newman), 49-0 (Twin Lakes), and 35-7 (Atlantic).

The October 16 victory over Atlantic gave the Raiders their district title. With a playoff berth assured, the Raiders lost their homecoming game in the second half of the contest 14-20. The next week they hosted Suncoast and again waited till the second half to blow a lead and lose 13-14.

The Raiders picked up a victory the next week when they traveled to Fort Pierce Westwood and scored seven unanswered points.

Then came the Glades Classic, and once again the Raiders came home without the trophy - it stayed in Pahokee with the victorious Blue Devils.

Last week, the Raiders traveled to Suncoast for the second matchup of the season. This time, the winner went to regional play and the losers went

home to read about it in the newspapers.

Neither team played well offensively. The score was tied 0-0 at the beginning of the game and it was tied 0-0 at the half and it was tied 0-0 at the end of the third.

It was tied 0-0 with just a little over three minutes left on the clock.

Then Suncoast pulled within field goal range and bing! The double zeros were replaced and the score was 3-0. It would remain that way. The Raiders could not answer. In fact, they penetrated into the Suncoast side of the field only three times in the whole game.

"We didn't get any blocking," said Raider Coach Ben McCoy after the game. "If you don't get blocking, you can't score touchdowns. We didn't have enough time to pass. You saw that. No excuses. We didn't get any blocking. That's why we lost."

For McCoy and his Raiders the season is over. In September and October, the Glades Central grid iron seemed destined for great things.

But between October 17 and Thanksgiving, the team had won only one game, that by a 7-0 score.

Coach McCoy was not available to comment on what went wrong with the season. What about next year?

Jacob Rhames, Author Monroe, Ray McDonald, Michael Stinson and Robert Brown are included in the list of graduating players.

## Pahokee cagers open season

**PAHOKEE** - The Pahokee High School basketball team opened its 1981 season Tuesday night with a home game against the Christian Day Crusaders of Belle Glade. Blue Devils Coach Eddie Lee Rhodes' lineup is a new one. Four of the starting five from last year's team graduated and are now playing college ball.

Walter Johnson, one of four forwards on the team, is the only returning starter. Also joining Johnson as forwards will be newcomers Willie Cromatie, Melvin Jones, and Juan Rubio.

The Devils, contenders in the Suncoast West Conference, can spell trouble for Glades Central of Belle Glade and Suncoast of Riviera, the main combatants for the Suncoast West title.

The Devils do not face Glades Central until Jan. 5.

Pahokee will travel to Forest Hill on Friday, Dec. 4, and again travel

to North Shore on Friday, Dec. 11, to face the ever tough North Shore Mustangs, coached by Floyd Andrews.

The Devils schedule is filled with Class 3A and 4A schools, although the Devils are only Class 2A. Only Class A Christian Day School and Class AA Christian are the same general size as the Blue Devils.

When the Devils take to the home court again on Tuesday, Dec. 15, at 8 p.m., Pahokee fans will see newcomers Paul Hager, Daniel Outler, Patrick Kirk, Walker Albernard and Joe Walker.

Point Guard Floyd Henry, Wing Alvin Hill, and Center Anthony Bryant, who played for Coach Rhodes last year will be returning to the lineup.

The Blue Devils home games will start at 8 p.m. and the junior varsity games will begin at 6:30 p.m. Ben Johnson is serving as the junior varsity coach.

SENIOR basketball PLAYERS FOR Pahokee include (kneeling) Alvin Hill, Paul Hager, Floyd Henry, (standing) Daniel Outler, Anthony Bryant, and Joe Walker.

## CDS starts basketball season

**BELLE GLADE** - The Christian Day Crusader Basketball team started its season Tuesday, December 1, with a game against the Blue Devils in Pahokee.

Crusader Coach Woody Salvatore said he doesn't know what to expect with the team because it is in a new district.

"We're in a new district and I don't know much about it," he said. "If we can keep everybody healthy - we don't have a lot of bench strength. I'll be carrying nine players on the roster. Everybody will see a lot of playing time."

The Crusader front five will consist of Luis Garcia, Scott Hudson, Roly Ramos, Tavi Garcia and

Alex Morales.

Luis Garcia, a junior returning at forward, weighs 155 and stands 6'2".

Hudson will be playing his last season for the Crusaders as a center. He stands 6'3" and weighs 208.

Junior Roly Ramos will be playing at forward. He weighs 170 and stands 6'3".

Tavi Garcia and Alex Morales, both juniors, will be the starting guards. Garcia weighs 160 at 5'10" and Morales, also at 5'10", weighs 150.

One the bench, the Crusaders have Tracey Shealy, a senior weighing 160 and standing 5'10". Robert Echols, a junior weighing 140 at

5'9"; Jorge Martinez, a sophomore standing 5'5" and weighing 160; Thomas Frederick, a junior

# Raiders bow out of play-offs

Suncoast controlled the Raider aerial game

By JEFF BROWN

The Raiders, who started this season as if no one could beat them, will now have the entire off-season to think about what went wrong. Suncoast beat Glades Central in the last few minutes of their regional playoff game 3-0 Friday, Nov. 27, to bring the Raiders' season to an end. It was a strange sort of a year for the Raiders, who dropped the first game of the football season 3-5 to Fort Pierce Central. Stung by the loss, the Raiders went on a tear for the next five weeks, consuming opponents by lopsided scores such as 39-6 (North Shore), 32-0 (Jupiter), 45-14 (Cardinal Newman), 49-0 (Twin Lakes), and 35-7 (Atlantic). The October 16 victory over Atlantic gave the Raiders their district title. With a playoff berth assured, the Raiders lost their homecoming game in the second half of the contest 14-20. The next week they hosted Suncoast and again waited till the second half to blow a lead and lose 13-14. The Raiders picked up a victory the next week when they traveled to Fort Pierce Westwood and scored seven unanswered points. Then came the Glades Classic, and once again the Raiders came home without the trophy - it stayed in Pahokee with the victorious Blue Devils. Last week, the Raiders traveled to Suncoast for the second match-up of the season. This time, the winner went to regional play and the losers went

home to read about it in the newspapers. Neither team played well offensively. The score was tied 0-0 at the beginning of the game and it was tied 0-0 at the half and it was tied 0-0 at the end of the third. It was tied 0-0 with just a little over three minutes left on the clock. Then Suncoast pulled within field goal range and bingo! The double zeros were replaced and the score was 3-0. It would remain that way. The Raiders could not answer. In fact, they penetrated into the Suncoast side of the field only three times in the whole game. "We didn't get any blocking," said Raider Coach Ben McCoy after the game. "If you don't get blocking, you can't score touchdowns. We didn't have enough time to pass. You saw that. No excuses. We didn't get any blocking. That's why we lost." For McCoy and his Raiders the season is over. In September and October, the Glades Central grid iron seemed destined for great things. But between October 17 and Thanksgiving, the team had won only one game, that by a 7-0 score. Coach McCoy was not available to comment on what went wrong with the season. What about next year? Jacob Rhames, Author Monroe, Ray McDonald, Michael Stinson and Robert Brown are included in the list of graduating players.

# Pahokee cagers open season

**PAHOKEE** - The Pahokee High School basketball team opened its 1981 season Tuesday night with a home game against the Christian Day Crusaders of Belle Glade. Blue Devils Coach Eddie Lee Rhodes' lineup is a new one. Four of the starting five from last year's team graduated and are now playing college ball. Walter Johnson, one of four forwards on the team, is the only returning starter. Also joining Johnson as forwards will be newcomers Willie Cromotie, Melvin Jones, and Juan Rubio. The Devils, contenders in the Suncoast West Conference, can spell trouble for Glades Central of Belle Glade and Suncoast of Riviera, the main combatants for the Suncoast West title. The Devils do not face Glades Central until Jan. 5. Pahokee will travel to Forest Hill on Friday, Dec. 4, and again travel

to North Shore on Friday, Dec. 11, to face the ever tough North Shore Mustangs, coached by Floyd Andrews. The Devils schedule is filled with Class 3A and 4A schools, although the Devils are only Class 2A. Only Class A Christian Day School and Class AA Clewiston are the same general size as the Blue Devils. When the Devils take to the home court again on Tuesday, Dec. 15, at 8 p.m., Pahokee fans will see newcomers Paul Hager, Daniel Outler, Patrick Kirk, Walker Albernard and Joe Walker. Point Guard Floyd Henry, Wing Alvin Hill, and Center Anthony Bryant, who played for Coach Rhodes last year will be returning to the line-up. The Blue Devils home games will start at 8 p.m. and the junior varsity games will begin at 6:30 p.m. Ben Johnson is serving as the junior varsity coach.

SENIOR basketball PLAYERS FOR Pahokee include (kneeling) Alvin Hill, Paul Hager, Floyd Henry, (standing) Daniel Outler, Anthony Bryant, and Joe Walker.

# CDS starts basketball season

**BELLE GLADE** - The Christian Day Crusader Basketball team started its season Tuesday, December 1, with a game against the Blue Devils in Pahokee. Crusader Coach Woody Salvatore said he doesn't know what to expect with the team because it is in a new district. "We're in a new district and I don't know much about it," he said. "If we can keep everybody healthy - we don't have a lot of bench strength. I'll be carrying nine (players on the roster). Everybody will see a lot of playing time." The Crusader front five will consist of Luis Garcia, Scott Hudson, Roly Ramos, Tavi Garcia and

Alex Morales. Luis Garcia, a junior returning at forward, weighs 155 and stands 6'2". Hudson will be playing his last season for the Crusaders as a center. He stands 6'3" and weighs 208. Junior Roly Ramos will be playing at forward. He weighs 170 and stands 6'3". Tavi Garcia and Alex Morales, both juniors, will be the starting guards. Garcia weighs 160 at 5'10" and Morales, also at 5'10", weighs 150. One the bench, the Crusaders have Tracey Shealy, a senior weighing 160 and standing 5'10". Robert Echols, a junior weighing 140 at

5'9"; Jorge Martinez, a sophomore standing 5'5" and weighing 160; Thomas Frederick, a junior. [Continued on Page 5]

Luis Garcia, who was a rebounding and scoring standout on last year's team, is expected to help season this year's squad.

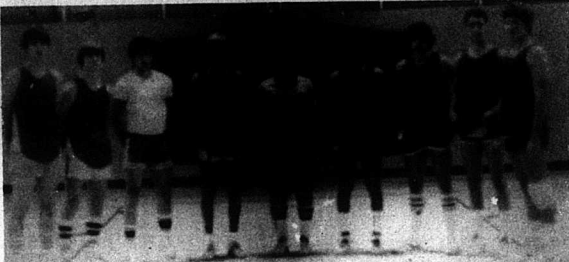

Hudson is also expected to lend some rebounding support.

The Crusaders meet only one member of their ten team district before the district contests start February 25, 1982.

Glades Day, their cross town rivals, also happen to be in the Crusaders' new district.

They will meet four 2A teams - including Pahokee this past Tuesday. They go against the Devils again January 23.

Other 2A teams include Clewiston Dec. 15 and January 19; Bishop Verot Jan. 5 and Jan 29; and Class AAA Fort Myers Jan. 30 and Feb. 20.

## Duck hunt phase to end

**TALLAHASSEE** - With the first phase of the state's duck and coot season ending December 6, it will give a chance for waterfowlers to rebuild duck blinds, if necessary, or locate newer areas to hunt.

"The second phase of the duck and coot season will be held in Florida from Dec. 12 through Jan. 18," said Thomas M. Goodwin, chief of the bureau of wildlife resources for the Division of Wildlife of the Game and Fresh Water Fish Commission.

He said the break between the first and second phases of the duck and coot season also offers hunters a chance to pursue other game during the general season.

Goodwin also reminds hunters that the woodcock season will begin in Florida December 5. Hunting hours are to be from 1/2 hour before sunrise to sunset. The daily bag limit is 5 and the possession limit is 10.

The woodcock season will end Feb. 7.

# Status of hunt season to be given

**TALLAHASSEE** - A status report on the start of the 1981-82 general hunting season will be given to the five-member Game and Fresh Water Fish Commission when it meets in Orange Park on December 4.

Presenting the report will be representatives of the Division of Wildlife, who have been monitoring hunting activity throughout Florida since the general season began November 14. Staff members will also discuss results of pre-season

special hunts on the state's wildlife management areas.

The meeting of the Commission will be held at the Best Western Motel, 300 Park Avenue, beginning at 9 a.m. The meeting is open to the public.

The five Commissioners will also consider items to be included on the agenda for public regulation meetings to be held throughout the state from January 3 to February 3. Such meetings are held to receive input from the public relating to

wildlife and freshwater fish resources.

Also to be discussed at the Commission meeting will be a report from the Division of Fisheries on a study conducted with the Northwest Florida Water Management District on water levels in the sink adjoining Lake Iamonia in Leon County.

The Fisheries division will also discuss the status of water levels in Dead Lakes, located in Gulf and Calhoun counties, and a fisheries

management plan to be presented to the Dead Lakes Water Authority.

Another matter to be considered by the Commission will be a request from Putnam County authorities to establish fish refuges in selected areas of the St. Johns River. Portions of Lakes George and Crescent, Salt Springs Run, Silver Glen Springs Run and Mud Creek will be closed to fishing during the bass spawning season if the Putnam County recommendations are adopted.

## HOW TO BE A GOOD COOK

Using Herbs in Cooking

Tuscan Vegetable Medley is subtly seasoned with basil.

Herbs impart flavor, aroma and sometimes color to foods. This pork and pasta dish gets its hearty flavor from Campbell's Chunky Vegetable Soup, seasoned with basil and garlic.

To obtain the most flavor from basil or oregano, crush the herb between your fingers before using it. Sautéing the basil and minced pork in melted butter or oil.

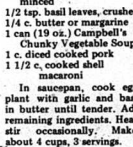

**TUSCAN VEGETABLE MEDLEY**

- 1 medium clove garlic, minced
- 1/2 tsp. basil leaves, crushed
- 1/4 c. butter or margarine
- 1 can (19 oz.) Campbell's Chunky Vegetable Soup
- 1 dried cooked pork
- 1/2 c. cooked shell macaroni

In saucepan, cook eggplant with garlic and basil in butter until tender. Add remaining ingredients. Heat, stir occasionally. Makes about 4 cups, 3 servings.

**THE MICROWAVE COOK**

One Dish Casseroles Cooks in 15 Minutes

Casseroles cooked and served in one dish can be prepared in just 15 minutes in a microwave oven.

This recipe for Spaghetti Supper is heated covered to speed the cooking time. The meaty sauce is based on Campbell's Chunky Sirloin Burger Soup.

**SPAGHETTI SUPPER**

- 1/2 c. chopped onion
- 1 small clove garlic, minced
- 1 tsp. oregano leaves, crushed
- 1 tbsp. butter or margarine
- 1 can (19 oz.) Campbell's Chunky Sirloin Burger Soup
- 1/2 c. drained spaghetti
- 1/2 c. drained chopped tomato

In 1 1/2-quart round glass casserole, combine onion, garlic, oregano and butter. Microwave on HIGH 3 to 4 minutes or until just tender. Stir in soup, spaghetti and tomatoes. Cover with glass lid. Microwave on HIGH 10 to 9 minutes or until hot, stirring once. Let stand, covered, 2 minutes. Serve with cheese. Makes about 4 cups, 3 servings.
